

LOIS LUPO
SHERIFF'S OFFICE
MESA COUNTY'S CO WORKER OF THE MONTH FOR
JULY, 2009

Lois is the type of employee that is always willing and happy to help in whatever way she can. She is always at her post on time and ready to work.

Lois is never content to sit back and let work come to her. If she has a slow time, she is looking for things to do to help out or ways to make her workplace better.

Lois is known for her terrific smile that can diffuse any problem that may arise. She is well liked by the Master Control Techs, Detention Deputies, and civilian staff that work in the jail.

You will always find Lois' name on the voluntary overtime stand-by sheet. Everyone in her office knows they can count on her whenever they need her.

To quote her nomination: "Lois does her job very well and has a great attitude about it. She is truly a great Co-Worker!"

Thank you, Lois. We are honored to call you Co-Worker!
