

would like to offer the following comments/questions from the public meeting held on March 25, 2008.

I think the new arena is a great idea, BUT....

programs like 4-H need facilities that can be used without costs. Please do not do away with the facilities on Orchard Mesa. The gardens cannot be replaced —

We like the idea of a new complex downtown. Why not make it a combo Convention/Conference/Concert building and leave the more "outdoor" activities out at the fairgrounds

What will happen to 2 Rivers?
