

Comments Received From Nov. 8th Meeting

- 1. We need a pool in the area, not another park.**
- 2. Proposal that 32 Rd become the Western Boundary of the new city of Clifton, Excluding Fruitvale residents in the formation of Clifton and the area of Fruitvale remain an unincorporated area.**
- 3. How about we link Old Town Clifton with Cross Orchards Farm-Their fruit packing shed used to be in downtown Clifton- Can we bring in old buildings from around the County for small businesses? Save some history? Mesa County needs a children's museum. Why not Clifton?**
- 4. I really am impressed with the whole plan. I would like to see a hospital put here in town and I really like the landscape for the whole town.**
- 5. We need a hospital- not just a clinic- a hospital at RVS old property. It is North of I Rd before I-70 B. It is now empty and we need to get a hold of it before a fast food place goes into it.**
- 6. I'm impressed with the proposed design and believe it would greatly benefit this area.**
