

Neighborhood Party Plan

In an effort to strengthen neighborhood ties and build community pride Mesa County offers assistance for a Neighborhood Party.

The Neighborhood Parties are fun social events but can also provide valuable information for neighborhoods.

- A Mesa County Sheriff's Deputy can attend your party if you are interested in starting a Neighborhood Watch ® in your area;
- McGruff the Crime Dog may be available for your party with adequate advance notice;
- A representative from Mesa County Code Enforcement can be available to provide information about things such as:
 - How to form a Home Owners Association;
 - How to enforce the covenants of an existing Home Owners Association;
 - How to file a complaint with Code Enforcement about junk or other code violations; and,
 - Graffiti Removal.
- Mesa County Commissioner Janet Rowland may be available to attend your party to answer a variety of questions, with adequate advance notice; and
- On some occasions the Clifton Fire Department may available to bring out a Fire Truck for the kids to explore.

Mesa County also provides free prizes and books for the kids in the neighborhood and frozen treats for "kids" of ALL ages.
