

REQUEST FOR QUALIFICATIONS
RFP-12-D&O-LANDFILL

Mesa County Public Works is soliciting qualification submittals and proposals from engineering firms interested in providing professional services for design, project management and preparation of construction contract documents for the Update of the Landfill Design and Operations Plan

Mesa County is issuing a request for proposals for the purpose of identifying a consultant or consultants qualified to update the current D&O Plan for the Mesa County Landfill. The scope of the work involves integrating existing plans and environmental studies, updating current landfill and system design maps into a single comprehensive D&O Plan. The plan will be utilized to identify and generate capital cost estimates for key long-term infrastructure projects required at the landfill.

A mandatory pre-proposal conference will be held for all potential Offerors held at 10:30 A.M., January 18, 2012 at the Mesa County Landfill Administration Office located at 3071 Hwy 50.

Mesa County reserves the right to accept the proposals or any portion of the proposals by a competent firm, as determined by the statement of qualification and the proposals, which is deemed to be in the best interest of the County. The County reserves the right to accept or reject any portion of the proposals or the entire proposals without disclosing the reason therefore.

An information packet is available or can be emailed by contacting Pam Hawkins at (970) 244-1765 from 8:00 AM to 5:00 PM beginning January 9, 2012.

Submittal materials must be received by 5:00 pm (MDT) on January 31, 2012 to be considered.

Publication Date January 8th and 11th, 2012
