The Public Works Department of Mesa County is requesting Statements of Qualifications from Contractors interested in performing the necessary tasks to repair and maintain stormwater BMP’s for construction projects that are in final stabilization on an on call, as needed basis for Mesa County.

SCOPE: Mesa County is seeking a contractor to maintain and repair stormwater BMPs for completed and stabilized construction sites on an as needed basis. Mesa County CIP projects, may require a contractor to periodically maintain to following stormwater BMP’s, this list includes but is not limited to: reseeding using different methods including hydroseeding, crimp straw mulch and broadcast seeding, maintaining inlet and outlet stormwater quality BMP’s, repairing erosion control logs and erosion control blankets. The selected contractor will be required to have knowledge of how to properly install and maintain stormwater BMPs, the contractor will be required to work independently, the contractor will be required to complete the work in a time efficient manner, and communicate with Mesa County staff.

The successful offeror must be prepared to perform all services required by the County as outlined in Section II and III of the Request for Qualifications. The submittals will be evaluated by Mesa County Public Works staff. It is the County’s goal to select a contractor who will provide the highest quality of customer service. The award of the contract will be based on the evaluation criteria outlined in Section IV of the Request for Qualifications.

Mesa County reserves the right to accept the proposals or any portion of the proposals by a competent contractor, as determined by the statement of qualification and the proposals, which is deemed to be in the best interest of the County. The County reserves the right to accept or reject any portion of the proposals or the entire proposals without disclosing the reason therefore.

This RFQ is available starting January 14, 2019 by going to the following web page: http://www.mesacounty.us/publicworks/bids/

Mesa County, in an effort to expedite the bidding process, will be using the web page as a method of getting all pertinent information out on Transportation Capital Projects. All necessary documents including bids sets, specifications, addendum and any addition information will be placed on the web page. These documents will be under the specific project name. It shall be the responsibility of all firms and contractors to check the web page and download the appropriate documents including all addendums. No notice will be sent informing contractor’s and firms that there is new information or addendums. This is the responsibility of the individual firms and/or contractor’s. Any questions or problems with the web page should be directed to Pam Hawkins at 970-244-1765.

Submittal materials must be received by 5:00 P.M. (MDT) on January 31, 2019 to be considered.

Publication Date January 13th and 16th, 2019
