Mesa County Public Works is soliciting qualification submittals and proposals from engineering firms interested in providing professional services for design, project management and preparation of construction contract documents for the 22 Road Improvement Project.

The intent of this project is to improve an approximately 1 mile long section of 22 Road from I Road to J Road. The 22 Road Corridor Study completed in 2014 provides a preliminary design and is included as reference. The Consultant will be tasked with completing the design process and preparing final construction drawings and specifications.

Mesa County reserves the right to accept the proposals or any portion of the proposals by a competent firm, as determined by the statement of qualification and the proposals, which is deemed to be in the best interest of the County. The County reserves the right to accept or reject any portion of the proposals or the entire proposals without disclosing the reason therefore.

This RFP is available starting September 10, 2018, by going to the following web page: http://www.mesacounty.us/publicworks/bids/
Mesa County, in an effort to expedite the bidding process, will be using the web page as a method of getting all pertinent information out on Transportation Capital Projects. All necessary documents including bids sets, specifications, addendum and any addition information will be placed on the web page. These documents will be under the specific project name. It shall be the responsibility of all firms and contractors to check the web page and download the appropriate documents including all addendums. No notice will be sent informing contractor’s and firms that there is new information or addendums. This is the responsibility of the individual firms and/or contractor’s. Any questions or problems with the web page should be directed to Pam Hawkins at 970-244-1765.

Submittal materials must be received by 5:00 P.M. (MDT) on September 24, 2018 to be considered.
