REQUEST FOR QUALIFICATIONS
Drainage Feasibility Study for Reed Mesa and Melody Estates
RFQ-19-03056

Mesa County Public Works is soliciting qualification submittals and proposals from engineering firms interested in providing professional services for design, project management and preparation of construction contract documents for the Drainage Feasibility Study for Reed Mesa and Melody Estates.

The successful offeror must be prepared to perform all services required by the County as outlined in Section II and III of the Request for Qualifications. The submittals will be evaluated by Mesa County Public Works staff. It is the County’s goal to select a consultant who will provide the highest quality of customer service, design and project management. The award of the contract will be based on the evaluation criteria outlined in Section IV of the Request for Qualifications.

Mesa County reserves the right to accept the qualifications or any portion of the qualifications by a competent firm, as determined by the statement of qualification and the proposals, which is deemed to be in the best interest of the County. The County reserves the right to accept or reject any portion of the proposals or the entire qualifications without disclosing the reason therefore.

This RFQ is available starting November 4, 2019, by going to the following web page: http://www.mesacounty.us/publicworks/bids/
Mesa County, in an effort to expedite the bidding process, will be using the web page as a method of getting all pertinent information out on Transportation Capital Projects. All necessary documents including bids sets, specifications, addendum and any addition information will be placed on the web page. These documents will be under the specific project name. It shall be the responsibility of all firms and contractors to check the web page and download the appropriate documents including all addendums. No notice will be sent informing contractor’s and firms that there is new information or addendums. This is the responsibility of the individual firms and/or contractor’s. Any questions or problems with the web page should be directed to Pam Hawkins at 970-244-1765.

Submittal materials must be received by 5 P.M. (MDT) on November 18, 2019 to be considered.

Publication Date November 3rd and 6th, 2019
