

REQUEST FOR QUALIFICATION
MESA-58-M.6 BRIDGE REPLACEMENT PROJECT
RFQ-20-03148

The Public Works Department of Mesa County is requesting Statements of Qualifications from Consultants interested in performing the necessary tasks develop detailed construction documents. This includes a complete design for bridge structure MESA-58-M.6 replacement as well as any necessary road improvement from and including the intersection of KE Road and 58 Road through a point north of the bridge structure to be determined with the final project scope.

The successful offeror must be prepared to perform all services required by the County as outlined in Section II and III of the Request for Qualifications. The submittals will be evaluated by Mesa County Public Works staff. It is the County's goal to select a consultant who will provide the highest quality of customer service, design and project management. The award of the contract will be based on the evaluation criteria outlined in Section IV of the Request for Qualifications.

There is no pre-submittal conference for this project.

Mesa County reserves the right to accept the proposals or any portion of the proposals by a competent firm, as determined by the statement of qualification and the proposals, which is deemed to be in the best interest of the County. The County reserves the right to accept or reject any portion of the proposals or the entire proposals without disclosing the reason therefore.

This RFQ is available starting October 12, 2012, by going to the following web page:

<http://www.mesacounty.us/publicworks/bids/>

Mesa County, in an effort to expedite the bidding process, will be using the web page as a method of getting all pertinent information out on Transportation Capital Projects. All necessary documents including bids sets, specifications, addendum and any addition information will be placed on the web page. These documents will be under the specific project name. It shall be the responsibility of all firms and contractors to check the web page and download the appropriate documents including all addendums. No notice will be sent informing contractor's and firms that there is new information or addendums. This is the responsibility of the individual firms and/or contractor's. Any questions or problems with the web page should be directed to Pam Hawkins at 970-244-1765.

Submittal materials must be received by 5:00 P.M. (MDT) on October 30, 2020 to be considered.

Publication Date October 11th and 14th, 2020
