Addendum #1
To
Mesa County Asphalt Stockpile Crushing
IFB-Asphalt Stockpile Crushing-2020-MN

Date: March 9, 2020
From: Matt Nichols, Engineering Technician

This addendum shall be a part of the contract documents for the above project and is here by made effective on the date shown above. All other terms and conditions of the contract documents not addressed in this addendum shall remain unchanged.

The bidder shall acknowledge receipt of this addendum on the Bidder’s Bid Form. A copy of the acknowledgment form shall accompany the bid. Failure to do so may subject the bidder to disqualification.

These addenda will change the terms and scope of the contract.

Clarification to Section 3: Specifications and Special Conditions &Provisions
1) On page 12, Section 3.1. Product Specifications, Contractor has the option to use Clean Screens to prevent clogging when crushing for ½” Material. This is at the contractor’s discretion and must be covered in the cost of the material.

2) On page 13, Section 3.2.8. Rejection of Material. Add the following statement. Owner will allow for up to 10% crusher rejects.
