All items must be received **90 days prior** to your event. Approval by the reviewing agencies must be received before a Special Event Permit will be issued and mailed to you.

Mesa County Special Event Policies and Procedures

These policies address the process whereby citizens/non-profits may request use of a Mesa County Road for their special event. **Request for use of roads should be made at least 90 days in advance of the event.** It is incumbent upon the applicant to facilitate the application through the process described below.

Applications for special events are available from Mesa County Public Works, (970) 244-1765, at the Mesa County Combined Services, 200 S. Spruce St, Grand Junction or on line at www.mesacounty.us. Go to Mesa County Government Web Site-Administration link for further information. The application requires description of the event and map showing proposed county road location with suggested routes, number of participants, event history, contacts and insurance requirements.

Once the application is filled out, signoffs from the following departments will be obtained by Mesa County Public Works:

Mesa County Engineering Department:

Traffic Division, Attn: Sean Yeates, 970-254-4151 or Sean.Yeates@mesacounty.us Located at 200 S. Spruce St.

Mesa County Risk Management: Attn: Jean Boothe, 970-244-1868 or Jean.Boothe@mesacounty.us. Located at 544 Rood Avenue

Mesa County Office of Emergency Management: Attn: Chris Rowland, 970-255-5078 or Christopher.Rowland@mesacounty.us. Located at 215 Rice Street

Any review agency comments received must be addressed by the applicant prior to the final approval. Denial by any of the above review agents nullifies and voids the request. The County reserves the right to deny any events deemed to be an issue of safety or health for its citizens.

Bike races are not normally allowed on Mesa County Roads. A race permit must be submitted and signed by the Public Works Director and the Traffic Engineer.

Participants for other road events must follow all Colorado traffic laws.

Event organizers may have event volunteers to help direct event participants. At no time shall volunteers direct or stop traffic.

Please be aware that flaggers for any event on Mesa County Roads must be certified through a CDOT approved class.

MESA COUNTY
GUIDELINES FOR ROADWAY SPECIAL EVENT

- Application for Roadway Events must be received 90 days in advance of the scheduled event.
- If a complete closure of road is requested, the applicant will have to obtain a written release from the property owners. Property owners have the right to disapprove if they feel it would be an inconvenience to them regarding entrance to their property.
- Upon final approval, the permit will be issued and returned to the applicant. Event coordinators must have the permit accessible for inspection during the event.
- This form must be signed and returned with the application.
- Provide and pay for the required liability insurance in the amount of \$1,000,000 and type specified by Mesa County (General Liability) and provide the County with a certificate of insurance as part of this application.
- **Bike races are not normally allowed on Mesa County Roads. A race permit must be submitted and signed by the Public Works Director and the Traffic Engineer.**

- **Participants for other road events must follow all Colorado traffic laws.**

- **Event organizers may have event volunteers to help direct event participants. At no time shall volunteers direct or stop traffic.**

- **Please be aware that flaggers for any event on Mesa County Roads must be certified through a CDOT approved class.**

APPLICATION MAY BE DENIED FOR THE FOLLOWING REASONS:

1. The event will create a hazard to the participant or other highway users, or will be an unreasonable inconvenience to motorists or property owners of the area. (This determination will be made by the Mesa County Sheriff's Department)
2. Mesa County has concerns regarding road closure and/or traffic control.
3. The application contains insufficient information to allow proper risk and/or cost analysis of the event.
4. Failure to submit application in time to complete processing in advance of the event.
5. Authorities from another jurisdiction deny closure of their roads, highways, or streets for the event.
6. Applicant failed to obtain required level and/or type of insurance.
7. The Communications or EMS plans are inadequate and the applicant is unwilling to make recommended changes. (This determination will be made by the Mesa County Office of Emergency Management in coordination with the local Ambulance Service Area provider.)
8. The event will create an undue burden on the local Ambulance Service Area provider. (This determination will be made by the Mesa County Office of Emergency Management in coordination with the local Ambulance Service Area provider.)

False or misleading information on the application, or any attachment, will be grounds for denial or revocation of a permit.

For Special Events Involving Road Closures:

If approved, the undersigned hereby agrees to:

Collect and return to Mesa County all "waivers," "releases," and/or "hold-harmless agreements" that may be required as part of this permit.

Pay all costs in excess of the estimated cost to Mesa County, if any, within ninety (**90**) days following the event. If estimated costs exceed actual costs, the balance will be refunded.

Participants, spectators, and event personnel are expected to clear the roadway for emergency vehicles.

No road in Mesa County will be completely closed unless it is authorized, in writing, by the Mesa County Board of Commissioners.
