

## Directions to navigate the septic system website.

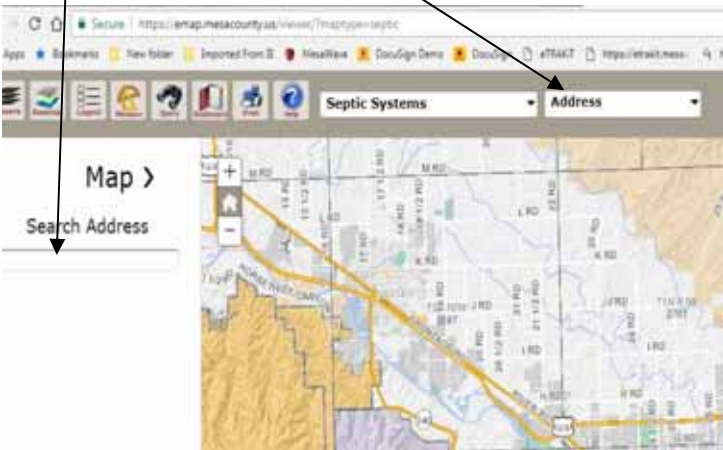

Go to [WWW.mesacounty.us](http://WWW.mesacounty.us)  
Use the drop down box under  
Departments and choose septic  
system

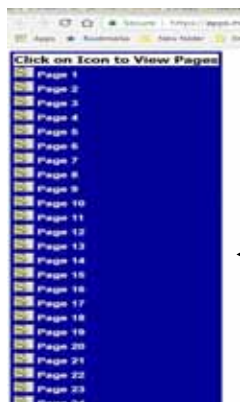

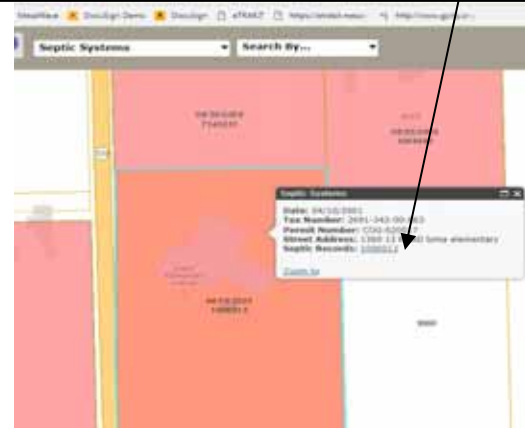

Click on Septic System Location map

Choose "Address" in this box. This box will appear and you  
need to put the address in here, once the address comes up  
click on it.

Once you have clicked on the address, the map  
will show up, if the parcel is pink click on it and  
an information box will open, click on the blue  
number (septic record). If the parcel is not pink,  
call this office 254-4142.

Once you have clicked on the septic record above, a list of  
pages will appear, these are the septic records I have on file.
