PILOT CARS:

One certified pilot car in front required for loads between 8 ft. 6 inches and 11 ft. wide.

One certified pilot car in front and one certified pilot car in back for loads 11 to 16 ft. wide.

Extra-Ordinary Use Permit is required for all loads exceeding the maximum (see table above).

Each Extra-Ordinary Use Permit requires individual consideration and a minimum of one full working day to process.

Extra-Ordinary loads may not travel before sunrise or after sunset without specific approval from the Road & Bridge Director or his designated representative.

Travel restrictions also apply for loads exceeding twelve feet (12') during school bus travel hours on most roads. If you anticipate traveling during these times, please contact Rudy at 970.250.5311 to verify special times.

Applicant is responsible for verification of all height restrictions.

*CDOT Regulations Apply. **Additionally, all pertinent conditions of the Mesa County Road and Right-of-Way Use Regulations apply to permits granted by Mesa County, and are in full force and effect. Permit Holders, by receipt of their permit, agree to adhere to and abide by all conditions set forth in the official Mesa County Road and Right-of-Way Use Regulations. A copy of the Regulations can be provided by the Mesa County Public Works Department and is available online at <http://www.mesacounty.us/transportation>. ***

Over 200,000 lbs requires a \$150,000 Bond to operate on Mesa County Roads and Bridges.
